To Whom It May Concern

We at Edwards Plumbing Inc. have done business with A & A Constructors, Inc. for over 35 years. I have found Bob Alvarez to be a pleasure to work with and for. He's fair in his dealings with his sub-contractors, and easy to get along with. I recommend him to you as a contractor and know that you would find him a pleasure to work with and very accommodating.

I wish him and you the best.

Sincerely,

Betty Albrecht
President
